5. Authority for Advance Ruling, Rajasthan issued Advance Ruling holding that:

- a) Ongoing through the Contract Agreement submitted by the Applicant with regard to the Services provided to the RUDSICO, it is seen that the services provided are of only Consultancy services. The Applicant has also declared that PMC services provided by them have no component of supply of goods. Since there is no involvement of supply of goods in the services, the services would be termed as 'Pure Services'.
- b) In view of the objective of the Project mentioned in the Contract, we conclude that the supply of Consultancy Services by the Applicant are in relation to function of Town Planning and Water Supply, hence, it is in relation to function entrusted to a Municipality under Article 243W of the Constitution.
- c) The third condition, whether recipient of Service, i.e., RUDSICO qualifies as 'Governmental Authority'. In the instant case, as per the master data, the total authorized capital is Rs. 50 crore and the paid up capital is Rs. 48.67 crore. The paid up capital of only Rs. 41 crore is held by the Government of Rajasthan through H.E. PERSONAL HEARING

7. A virtual hearing in the matter was held on 17.11.2021. Mrs. Ritika Rajvanshi, CA and Authorized Representative of the appellant attended the hearing on 17.11.2021. She reiterated the submissions already made under grounds of appeal.

DISCUSSION AND FINDINGS:

8.1 We have carefully gone through the Appeal papers filed by the Appellant, the Ruling of the AAR, Rajasthan, written as well as oral submissions made by the authorized representative(s) of the appellant, at the time of personal hearing held on 17.11.2021.

8.2 Appellant observed that they are entitled to the notification No. 12/2017 Central Tax rate. The relevant portion of the Notification No. 12/2017 –Central Tax (Rate) dated 28/06/2017 is reproduced as under:

.....

"In exercise of the powers conferred by sub-section (1) of section 11 of the Central Goods and Services Tax Act, 2017 (12 of 2017), the Central Government, on being satisfied that it is necessary in the public interest so to do, on the recommendations of the Council, hereby exempts the intra-State supply of services of description as specified in column (3) of the Table below from so much of the central tax leviable thereon under sub-section (1) of section 9 of the said Act, as is in excess of the said tax calculated at the rate as specified in the corresponding entry in column (4) of the said Table, unless specified otherwise, subject to the relevant conditions as specified in the corresponding entry in column (5) of the said Table, namely:-

Surf

N

Sl. No.	Chapter, Section, Heading, Group or Service Code (Tariff)	Description of Services	Rate (Per cent.)	Condition
(1)	(2)	(3)	(4)	(5)
3	Chapter 99	Pure services (excluding works contract service or other composite supplies involving supply of any goods) provided to the Central Government, State Government or Union territory or local authority or a Governmental authority by way of any activity in relation to any function entrusted to a Panchayat under article 243G of the Constitution or in relation to any function entrusted to a Municipality under article 243W of the Constitution.	Nil	Nil

8.2.1 We observe that the following three conditions are to be fulfilled to be eligible for taking the benefit of the exemption from GST under the above notification:

- (i) Pure services are to be provided.

(ii) Such services provided should be *by way of any activity in relation to any function entrusted* to a Panchayat under Article 243G of the Constitution of India or in relation to any function entrusted to a Municipality under Article 243W of the Constitution of India; and

(iii) Service recipient should either be Central Government or State Government or Union territory or Local authority or Governmental authority.

8.2.2 We observe that AAR Rajasthan held that both the conditions (i) and (ii) as mentioned above are satisfied here, therefore, main dispute to be decided by this forum is whether recipient of the service viz. Rajasthan Urban Drinking Water Sewerage & Infrastructure Corporation Limited (RUDSICO) qualifies as "Governmental authority" or not. The definition of "Governmental Authority" given under Notification no. 12/2017-Central tax (rate) dated 28th June 2017 is as under: -

Governmental Authority means an authority or a board or any other body, -

(i) set up by an Act of Parliament or a State Legislature; or
(ii) established by any Government,

with 90 per cent. or more participation by way of equity or control, to carry out any function entrusted to a Municipality under Article 243W of the Constitution or to a Panchayat under Article 243G of the Constitution.

8.2.3 As submitted by the appellant, total authorized capital of RUDSICO is Rs. 50 crores and the paid-up capital is Rs. 48.67 crore. Appellant has further submitted the bifurcation of paid-up capital which is reproduced as under:-

S.No.	Name of Shareholder	No. of Shares	Amt per share	Share capital in Rupee	Percentage Holding
1.	<i>Government of Rajasthan through H.E. the Governor of Rajasthan</i>	40991693	10	409916930	99.99%
2.	<i>Rajasthan Housing Board (RHB)</i>	3916403	10	39164030	
3.	<i>Jaipur Development Authority</i>	3760800	10	37608000	
4.	<i>Others</i>	1099	10	10990	0.01%
	<i>TOTAL</i>	48669995	10	486699950	

8.2.4 We find that out of total paid up capital of Rs. 48.67 Crore, only Rs. 40.99 Crore holding is with Government of Rajasthan through H.E. governor of Rajasthan, which is less than 90%. The appellant main contention is that the Rajasthan Housing board and Jaipur Development Authority are also Government entities as both have 90% holding of Rajasthan government. In this regard, our opinion is that to satisfy as Government authority more than 90% holding of equity should be with only "Government" not with any other entity established by the Government. As per section 2(53) of Central Goods and Service Tax Act, 2017 "Government" means the Central government. In Rajasthan Goods and Service Tax Act, 2017 "Government" means the government of Rajasthan. Further, as per clause (23) of section 3 of the General Clauses Act, 1897 the 'Government' includes both the Central Government and any State Government.

8.3 Further, as per clause (8) of section 3 of the General Clauses Act, 1897, the 'Central Government', in relation to anything done or to be done after the commencement of the Constitution, means the President.

As per Article 53 of the Constitution, the executive power of the Union shall be vested in the President and shall be exercised by him either directly or indirectly through officers subordinate to him in accordance with the Constitution. Further, in terms of Article 77 of the Constitution, all executive actions of the Government of India shall be expressed to be taken in the name of the President. Therefore, the Central Government means the President and the officers subordinate to him while exercising the executive powers of the Union vested in the President and in the name of the President. Similarly, as per clause (60) of section 3 of the General Clauses Act, 1897, the 'State Government', as respects anything done after the commencement of the Constitution, shall be in a State the Governor, and in an Union Territory the Central Government. As per Article 154 of the Constitution, the executive power of the State shall be vested in the Governor and shall be exercised by him either directly or indirectly through officers subordinate to him in accordance with the Constitution. Further, as per article 166 of the Constitution, all executive actions of the Government of State shall be expressed to be taken in the name of Governor. Therefore, State Government means the Governor or the officers subordinate to him who exercise the executive powers of the State vested in the Governor and in the name of the Governor.

8.4 We observe that a statutory body, corporation or an authority created by the Parliament or a State Legislature is neither 'Government' nor a 'local authority'. Such statutory bodies, corporations or authorities are normally created by the Parliament or a State Legislature in exercise of the powers conferred under article 53(3)(b) and article 154(2)(b) of the Constitution respectively. Hon'ble supreme court in the case *Agarwal Vs. Hindustan Steel AIR 1970 Supreme Court 1150* has held that, "the corporation which is Hindustan Steel Limited in this case is not a department of the Government nor are the servants of it holding posts under the State. It has its independent existence and by law relating to Corporations, it is distinct even from its members."

8.4.1 We observe that such a statutory body, corporation or an authority as a judicial entity is separate from the State and cannot be regarded as the Central or a State Government and also does not fall in the definition of 'local authority'. Thus, regulatory bodies and other autonomous entities would not be regarded as the "government" for the purposes of the GST Acts.

8.5 In view of above discussion, we find that holding of equity control of RUDSICO by Jaipur Development Authority and Rajasthan Housing Board cannot be treated as holding of equity control by government. Accordingly, we hold that RUDSICO is not a Governmental Authority. Therefore, appellant is not eligible for exemption under notification no. 12/2017 central tax (Rate) dated 28.06.2017.

9. Accordingly, appeal filed by the appellant is disposed off.
